# Païsi comes to town

Superb creative cuts, surprising material combinations, latest trends edgy design, effortlessly wearable, fascinating colors, luxury raw materials, incredible prices. This is the new revolution. This is 2.0 fur power, Païsi autumn/winter 13/14 "Furs and the City" collection.

Païsi 13/14 a/w fur collection changes mentalities, forces new fashion senses and provokes the fashionistas cohorts to be brave, free and to reinvent their wardrobes.

"Furs and the city" collection designs the world of a modern, independent, cosmopolite and timeless chic femininity who's always fascinated by the newest international fashion trends. She is not afraid to experiment, to reinvent herself, to mix match and recreate superb effortless chic outfits. She knows and dominates the real power of a trendy fur coat and nonchalantly wears it during urban day adventures or into the glamorous night.

Païsi a/w 13/14 fur collection delicately combines raw fur material: mink, fox, chinchilla, lynx, swakara & karakul, castor, American raccoon, oryolag furs with noble fabrics, wool tissues, gabardine, lace and silk. The fresh urban collection covers coats, vests, cardigans, etoles and accessories in a daring variety of forms and colours.

Let yourself be inspired by a day&night cosmopolite urban story, its beautiful characters, ultimate chic sense and outfits proposed by Elle magazine stylists.

Welcome to the "Furs and the City". A story about friendship, urban fashion sense and inspiring emotions. A collection for muses and trendsetters.
